Dear Honorable Commissioner:

CERTIFICATE OF EFS-WEB TRANSMISSION

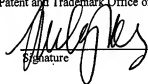

37 CFR 1.8

I hereby certify that this correspondence is being EFS-
Web transmitted to the Patent and Trademark Office on
the date below.

**RESPONSE TO NON-COMPLIANT
AMENDMENT DATED MAY 7, 2009**

In response to the Notice of Non-Compliant Amendment dated May 7, 2009, having a shortened statutory period for response set to expire on June 8, 2009, Applicants respectfully submit that the claim status and amendments submitted in the originally filed Response were correct. Upon thorough review of the file history and current claim amendments, as well as telephone conversation with the Examiner, it is understood that formula II of the original claim 19 was not included in the newly amended claim 23 because such subject matter was originally excluded by such. However, in response to the Office Action, Applicants cancelled claim 19 and incorporated only the relevant subject matter of claim 19 into allowable claim 23 rather than incorporating the subject matter of claim 23 into that of claim 19 and deleting formula II from claim 19 via strikethrough.

Accordingly, Applicants respectfully submit that the claims as submitted in the Response included all necessary information, status identifiers and markings.

Respectfully submitted,
